Com descargar âyou canât tell me that itâs a coincidenceâ, I have no idea what is, and Iâm fine with it, because they are both hackers, and I like both of them and love both of them, and they have a romance, so that makes it different. so you basically ruined your comics going on and on about the fact that your comic is better and has been for a really long time. Iâm a little bit pissed and a little bit sad. Iâm not mad at you, or anything like that, itâs more just in saying that you said yourself that you were gonna do this, and that itâs been over a year. If thatâs a new thing for you, Iâm sorry, but I do not think you can just ignore everything youâve been doing for so long, and just say âyeah, Iâm gonna keep doing it but now itâs also gonna be a series because now, blah blah, I need more charactersâ. I donât care if it is a good comic or not, or if itâs better or not, but I do care about you telling your readers that youâre gonna change the way the comic looks, and youâre not gonna do that, and then you completely change the way the comic looks, and change how the comic looks without asking. Would you rather I just went âOh, shit, Iâm gonna have to change the comics because Iâve been doing this the same way for forever, and then now Iâm going to make a whole new chapter, only with a few charactersâ? I canât say I blame you for it, because I donât know what youâre going through and what your life is like, but I think itâs not a good idea to
